### 4 FEDERAL INCOME TAX WITHHOLDING

**The Bank of New York Mellon is required to withhold 10% of your RMD for federal income tax purposes unless you elect otherwise below.** If you elect not to have withholding apply to your distribution, or if you do not have enough federal income tax withheld from your distribution, you may be responsible for payment of estimated tax. You may incur penalties under the estimated tax rules if your withholding and estimated tax payments are not sufficient. If you do not elect out of withholding, **by checking the box below**, withholding will be based on the gross amount of your distribution even though a portion of your distribution may not be subject to tax (e.g., if you have made non-deductible contributions to your IRA or 403(b)(7) Plan).

I **do** want income tax withholding applied to my IRA or 403(b)(7) plan distribution and understand that withholding will be applied at the rate of 10% unless a different withholding percentage is specified \_\_\_\_\_% (minimum of 10%).

I **do not** want income tax withholding applied to my IRA or 403(b)(7) plan distribution.

(Several states require state income tax withholding. If your IRA is registered in one of these states, the custodian will withhold applicable state taxes. To the extent permitted by applicable state law, an election to not have income tax withheld will also apply to state income taxes.)

### 5 PERIODIC DISTRIBUTIONS

Complete this Section to request an initial RMD (Section 5A below) and/or to set up a regular schedule of distributions (Section 5B below). **If you do not set up a distribution schedule in Section B, the distribution you request will only be made once.**

RMDs must generally begin by April 1<sup>st</sup> of the year following the year in which you reach age 70½. Therefore, if you have attained age 70½ during the current calendar year, you may postpone your RMD until April 1<sup>st</sup> of the next year. This postponement only applies if this is your first RMD. If you choose to postpone your first RMD, the IRS requires that you take your second RMD for the second calendar year by December 31<sup>st</sup> of that same year.

If you have attained age 70½ in the previous calendar year and you have postponed your first RMD until this year, complete Section 5A-1 and Section 5B.

If you have attained or will attain age 70½ during the current calendar year and you wish to postpone your first RMD until next year, complete Section 5A-2 and Section 5B.

If neither of the above apply, complete Section 5B only.
