

# Dreyfus Large Cap Equity Fund

Jun 30  
2018

Class I DLQIX Class Y DLACX

**Goal/Approach**

The fund seeks to provide long-term capital appreciation. To pursue this goal, the fund normally invests at least 80% of its net assets in equity securities of large capitalization companies. The fund invests primarily in large, established companies that the portfolio manager believes have proven track records and the potential for superior relative earnings growth. The investment process begins with a top-down assessment of broad economic, political and social trends and their implications for different market and industry sectors.
