Source: Lipper as at 30 September 2018. Performance is shown for USD T (Hedged) unless otherwise stated. Total Return, including annual management charge, but excluding initial charge, net of performance fees income reinvested gross of tax, expressed in share class currency. The impact of the initial charge which may be up to 5% can be material on the performance of your investment. Performance figures including the initial charge are available upon request. Please see reverse for important disclosure.

Performance history of less than two years may not provide an adequate basis from which to determine the performance of a fund. Accordingly, such short performance history should not be relied upon. Performance periods of more than one year are annualized.

*Credit quality ratings are measured on a scale that generally ranges from AAA (highest) to D (lowest). "NR" is used to classify securities for which a rating is not available. Credit-quality ratings for each issue are obtained using rating derived from Moody's Investors Service (Moody's), Fitch Ratings (Fitch), and Standard & Poor's (S&P). When ratings from all three agencies are available, the highest rating is used.
