1 As a measure of current income, 7-day yield more closely reflects the fund's current income-generating ability than the total return.
2 The yields quoted reflect the current absorption of certain fund expenses by Dreyfus, without which yields would be “restated” as shown above.
3 Portfolio composition is subject to change at any time.
4 Please see the prospectus for expenses as of the fund’s most recent fiscal year-end. Operating expenses may vary from month to month.
5 Any order in proper form placed with Dreyfus by the fund’s trading deadline and for which federal funds are received by 6:00 PM ET will be effective on that day. Investors will earn the dividend declared on that day.
6 Data reflects days until final maturity for individual portfolio securities.

Dreyfus AMT-Free Municipal Cash Management Plus – Institutional Shares

Fund Goal
The fund seeks as high a level of current income exempt from federal income tax as is consistent with the preservation of capital and the maintenance of liquidity.

Investment Approach
To pursue its goal, the fund normally invests at least 80% of its net assets in short-term, high-quality municipal obligations that provide income exempt from both federal income taxes and the federal alternative minimum tax. The fund also may invest in high-quality, short-term structured notes, which are derivate instruments whose value is tied to underlying municipal obligations.

Effective on or about June 3, 2019, The Dreyfus Corporation will be renamed BNY Mellon Investment Adviser Inc., BNY Mellon Cash Investment Strategies will be renamed Dreyfus Cash Investment Strategies, and MBSC Securities Corporation will be renamed BNY Mellon Securities Corporation.

Investors should consider the investment objectives, risks, charges, and expenses of a mutual fund carefully before investing. To obtain a prospectus, or summary prospectus, if available, that contains this and other information about the fund, contact your financial advisor or visit dreyfus.com. Read the prospectus carefully before investing.

You could lose money by investing in a money market fund. Although the fund seeks to preserve the value of your investment at $1.00 per share, it cannot guarantee it will do so. The fund may impose a fee upon the sale of your shares or may temporarily suspend your ability to sell shares if the fund’s liquidity falls below required minimums because of market conditions or other factors. An investment in the fund is not insured or guaranteed by the Federal Deposit Insurance Corporation or any other government agency. The fund’s sponsor has no legal obligation to provide financial support to the fund, and you should not expect that the sponsor will provide financial support to the fund at any time.

The fund’s short-term corporate and asset-backed securities holdings involve credit and liquidity risks and risk of principal loss. Dividends, if any, are payable pursuant to the fund’s stated policy.
