Historical Performance (CL.I @ NAV)
This does not reflect the 4.50% maximum front-end sales load applicable to Class A shares which, if reflected, would have lowered performance. Assumes reinvestment of dividends and capital gains. Performance for the fund’s other share classes would vary.

Average Annual Total Returns (3/31/19)
The performance data quoted represents past performance, which is no guarantee of future results. Share price and investment return fluctuate and an investor’s shares may be worth more or less than original cost upon redemption. Current performance may be lower or higher than the performance quoted. Performance for periods less than 1 year are not annualized. Go to bnymellonim.com/us for the fund’s most recent month-end returns. The net expense ratio(s) reflect a contractual expense reduction agreement through 3/1/2020.
