*Credit quality ratings are measured on a scale that generally ranges from AAA (highest) to D (lowest). "NR" is used to classify securities for which a rating is not available. Credit-quality ratings for each issue are obtained using rating derived from Moody's Investors Service (Moody's), Fitch Ratings (Fitch), and Standard & Poor's (S&P). When ratings from all three agencies are available, the highest rating is used.

Portfolio holdings and percentages are subject to change at any time without notice, are for information purposes only and should not be construed as investment recommendations.
