When to use this Keogh Distribution Request Form:

You may use this form if you are a Keogh plan participant, or a beneficiary of the deceased participant, to request a distribution from the Keogh Plan. You (the plan participant) may request a distribution upon termination of employment, attainment of age 59½ (the Plan’s Normal Retirement Age), disability, plan termination, or if you meet one of the Plan’s in-service withdrawal provisions. This form may also be used by the Employer or Plan Administrator to indicate a distribution of plan assets pursuant to a Qualified Domestic Relations Order (QDRO). Plan participants, other than Employer-participants cannot direct QDRO payments.

Required Minimum Distribution (RMD) Requirements:

If you were born on or before June 30, 1949:
You are required to begin your RMD in the later of the year in which you attained age 70½ or the year in which you retire. However, you may delay your first RMD until April 1st of the following year.

If you were born on or after July 1, 1949:
The recent passage of the SECURE Act has increased the RMD age from age 70½ to 72 for those individuals who attain age 70½ on or after January 1, 2020. Therefore, if you were born on or after July 1, 1949, the same RMD rules apply as summarized above, except that they apply to you based on whether you have attained age 72 (instead of age 70½).

Indicate in Section 4 if your distribution request includes this year’s RMD and you would like to roll over the remainder of your distribution request. Complete Section 6 to indicate the amount of your RMD, if applicable. Note that you cannot use this form to establish a periodic distribution schedule (installments) or a schedule of RMD payments. You should contact us or your Employer (Plan Administrator) to obtain the applicable form.

Form of Distribution:

If you are a married participant, a distribution from the Plan is made in the form of a Qualified Joint and Survivor Annuity unless your spouse waives the right to a survivor annuity by consenting to another form of payment.* If you are an unmarried participant, a distribution from the Plan is made in the form of a Single Life Annuity unless you elect an alternate form of distribution. If your Plan is subject to the Qualified Joint and Survivor Annuity requirements, the Employer is required to provide married participants with a notice explaining the required joint and survivor annuity form of benefit, and an election to waive the joint and survivor annuity form of distribution and choose an optional form of benefit payment, if applicable.

*Profit Sharing Plans may provide for alternative forms of payment. Consult your tax advisor for more information.

Tax Notice and Federal Income Tax Withholding:

The Employer must provide you with a Special Tax Notice Regarding Plan Payments. This notice explains the mandatory 20% Income Tax withholding on distributions eligible to be rolled over and your options to continue to defer federal income tax on distributions. It also contains other important information you will need to decide how to receive your benefits.

Certain distributions (such as Required Minimum Distributions) cannot be rolled over and are subject to 10% voluntary federal income tax withholding instead of the mandatory 20% withholding. If part or all of your distribution is not eligible for rollover, please read and complete Section 6 of this form regarding federal income tax withholding.

You are strongly advised to consult with your tax advisor regarding the tax implications associated with a distribution from the Plan.

Distribution Procedure:

When you have completed the form you should deliver it to the Employer for signature and the form should be forwarded to us at the address below. We can only make distributions on the instruction of the Employer.
