Specifically, the Act “prohibits any person engaged in the business of betting or wagering (as defined in the Act) from knowingly accepting payments in connection with the participation of another person in unlawful internet gambling.” Shareholders of BNY Mellon mutual funds (“Funds”) must not initiate or receive wire transfers, checks, drafts or other debit/credit transactions that are restricted by the Act. 4. For new accounts registered as Individual or Joint with rights of survivorship, would you like to add a Transfer on Death (TOD) Beneficiary?

A Transfer on Death (TOD) designation transfers ownership of your shares to your beneficiary or beneficiaries upon your death. For joint account holders, shares are transferred to your beneficiaries upon the death of the last surviving account owner. **TOD registration is only available on accounts registered to an individual or to joint owners with rights of survivorship or tenants by entirety with an address in any state within the United States other than Louisiana. TOD registration is not available for residents of Louisiana. If an account owner adds a TOD registration to his account while a resident of a state other than Louisiana and later becomes a resident of Louisiana, then the TOD registration shall be void at such time as the account owner becomes a resident of Louisiana. Because TOD registration can affect tax strategies and estate planning, you may want to consult a financial planner or attorney before requesting this type of registration, particularly if you reside in a community property state. If you have any questions about TOD registration, please call us at 1-800-645-6561.**

Beneficiary designation(s)

Please provide your designated beneficiary information in the boxes below. (If you wish to designate more than two primary or more than two secondary beneficiaries, please attach a separate sheet.) These beneficiary designations will remain in full force and effect until another properly completed form or other written instructions are received. **If you designate more than one primary beneficiary, or more than one secondary beneficiary, please be sure that the percentages you assign to all primary beneficiaries add up to 100%, and that the percentages you assign to all secondary beneficiaries add up to 100%. If no percentages are designated, an even split among primary and an even split among secondary beneficiaries will be assumed. Any fractional shares that remain upon dividing the account among multiple primary beneficiaries, and any fractional shares that remain upon dividing the account among multiple secondary beneficiaries, will revert to the first named primary and first named secondary beneficiary, respectively. Any secondary beneficiary you name will receive all or a portion of your account balance only if all primary beneficiaries pre-decease you.**
If a beneficiary is a minor, you must designate a custodian and provide the minor’s date of birth.

5A. Cost Basis Method Election

Note – This election will not be applied to money market fund accounts. If you are opening a money market fund account and at a later date process an exchange to open a fluctuating NAV fund account, you should make your cost basis selection at that time.

Federal regulations require that we report to the IRS on Tax Form 1099-B the cost basis information on mutual fund shares purchased on or after January 1, 2012 (covered shares), and redeemed on or after that date.

Please choose one of the cost basis reporting methods listed below for your account(s). If no method is selected, the Fund(s) will report cost basis using Average Cost. Specific Lot Identification is also a cost basis method option and is offered at the time of your redemption or exchange transaction.

- First In, First Out (FIFO)
- Last In, First Out (LIFO)
- High Cost, First Out (HIFO)
- Low Cost, First Out (LOFO)
- Average Cost

Please consult your tax professional to determine which cost basis method is best for your personal tax situation.

Changing your cost basis method: If the cost basis method for your account(s) is Average Cost, you may retroactively change your cost basis method only before the date of the first redemption or transfer of covered shares. You may change your cost basis method for future purchases at any time. Changes to or from the Average Cost method must be made in writing or via bnymellonim.com/us. Changes to or from all other methods may be made in writing, via bnymellonim.com/us or by telephone.

configuration of our recovery sites (described below) are performed. Current copies of our business continuity
plan are maintained by various individuals at our firm.

As part of our business recovery plan, we maintain alternate business resumption sites for our employees
that provide us with operational redundancy in the event of an emergency at our primary location. These
facilities provide for the relocation of our employees so that we may resume processing operations and
trading functions. Each employee's workstation at our relocation sites is equipped with all the software,
as well as all the telecommunication equipment, needed for each employee to continue to provide client
service. Our alternate sites have centralized faxes and printer rooms where communications are controlled.
We also employ telephone rollover technology whereby inbound calls and faxes are re-routed to the
appropriate alternate business resumption site.

Whether we are affected by a firm only, single building, business district, citywide or regional disruption,
our firm's policy is clear: We will safeguard our employees' lives, make immediate financial and operational
assessments, and work to quickly recover and resume operations. In the event of an emergency, our goal is
to restore operations and resume transacting business as soon as possible. During the recovery period, you
may access your investments electronically using the following options:

- Call Express voice-activated account access system at 1-800-645-6561
- Visit our web site at www.bnymellonim.com/us

Please note that before you can access your account through www.bnymellonim.com/us, you will need a
user ID and password. For account access via Express, you will need your Social Security Number and a
personal identification number (PIN). You can create or reset your user ID and password by going on to
www.bnymellonim.com/us, or your PIN by calling Express. We urge you to take a moment today to make
sure that you are able to access your account through www.bnymellonim.com/us and/or Express. This will
help to ensure that you have access to your account in the unlikely event of a business disruption.

Regardless of all the effort put into our business continuity plan, we acknowledge that no plan for disaster
recovery is infallible. Every emergency situation poses unique challenges, and the unpredictable nature and
severity of disasters make it impossible to predict every scenario that could cause a disruption, thus precluding
absolute preparedness in all circumstances. While our business continuity plan is tested periodically, such
testing may not be able to replicate actual emergency conditions. Depending upon the emergency, we cannot
guarantee that we will follow our plan's stated course of action, and our business recovery plan is subject
to modification without notice as conditions require. Also, certain situations may arise that affect the
securities markets and/or the external service providers upon which we rely, and your transactions or requests
for funds could be delayed during such a disruption.

Please be assured that, in the event of a disaster, we will work as quickly as possible to provide you with the
access to the excellent customer service that you have come to expect.
