

INDIVIDUAL RETIREMENT ACCOUNT BENEFICIARY DESIGNATION FORM

IMPORTANT INFORMATION — PLEASE READ

Complete this form to name or change your Dreyfus Mutual Fund account IRA beneficiary designation. By changing your beneficiary information on this form, you revoke any prior designation of beneficiary you have made with respect to the assets in the Dreyfus IRA types you indicate below. Please list all beneficiary information even if you are only updating information for one of your beneficiaries. If designating more than three primary or secondary beneficiaries, check the box below and attach a separate sheet of paper to this form with all beneficiary information.

If no beneficiary survives you, or if no beneficiary designation is in effect at your death, the balance in your Dreyfus IRA(s) will be paid to your estate. Any secondary beneficiary you name will receive all or a portion of your Dreyfus IRA balance(s) only if all primary beneficiaries die before you. For example, if you name two primary beneficiaries but one of them dies before you, the entire balance will be paid to the surviving beneficiary. To name a trust as a primary or secondary beneficiary, write the name and address of the trustee, then give the name and date of the trust agreement.

Your beneficiary designation shall apply only to your Dreyfus Mutual Fund account IRA types indicated below, and not to any Dreyfus brokerage account.

I am attaching to this form a separate sheet with beneficiary instructions.

2. IRA Plan Type:

Check all IRA plan types in which you would like to apply the designation(s) you make below. If you have more than one IRA of the same type (e.g., two traditional IRA's), Dreyfus will apply this change in beneficiary information to all IRA's of the same type. Any beneficiary designation will apply to all investments within the IRA type indicated. You should complete a separate form for each IRA type in which you would like to name different beneficiaries and/or allocate different percentages.
