IMPORTANT INFORMATION – PLEASE READ

- **An Account Application must accompany this form.** If you do not indicate the fund(s) for your investment on the Account Application, your investment selection will remain the same. If you specify an alternate fund on the Account Application, the exchange from the current to the new fund, which may be a taxable event, will not be processed until after the transfer to the new account is completed.

- A change of registration requires that a new account be established. Please note that privileges on your current account will not automatically carry over to your new account. You must reapply for any privileges you would like us to establish on your Account Application. If changing the registration on a non-money market fund, you will also be required to elect a cost basis reporting method for the new account(s).

- This form can be used to change the registration of one or more accounts. If you have several accounts and would like to use one form, their current registrations must all be the same and the new registrations must also be the same. If they are not the same, you will need to obtain additional copies of this form.

- If your existing account has the checkwriting privilege, please make sure that all outstanding checks are paid before submitting this form. We will be unable to honor checks with your old registration and account number if you transfer all shares to your new account.

- Please be advised all outstanding issued checks will be stopped and reinvested into the account prior to the transfer of assets to a new account.

- Please enclose any share certificates that may be outstanding for your account. Unless instructed otherwise, we will deposit the certificates in your new account. If you are enclosing share certificates, please use the registered/certified/overnight mailing address provided on this form.

- You will receive a confirmation showing your new account number. Please use this number for all future transactions and inquiries about your new account.

- Additional documentation may be required for certain registration changes. Please see the Account Application.

- Please complete Sections 2A and 2B if the transfer is to be processed as a gift or due to a death. Otherwise complete Section 2B only. To ensure accurate cost basis reporting, you must indicate the type of transfer request and provide transfer details.

- Do not use this form for IRA or Keogh plans. For special forms or assistance in completing this form, please call **1-800-645-6561**.

Please print all items except signatures. Use blue or black ink only. Please sign in Section 3.

   - **Name of Joint Owner (if any), Corporate Officer, Partner, Trustee, etc.**

2. **How would you like to register your NEW account?**

   - **Name of New Owner, Custodian, Trustee, Executor, or Other Representative**

   - **Name of New Joint Owner (if any), Minor, Trust or Estate**

   Please note this information must be identical to the information provided in Section 1 of the BNY Mellon Family of Funds Account Application, which must accompany this form.

To ensure accurate cost basis reporting, indicate the reason for transfer and provide details.

- **Gift**
  
  Fair Market Value Acceptance __________________ Signature of New Owner __________________

  If accepting account will use Average Cost, the new owner must sign above indicating acceptance of shares at fair market value on the date of gift if the shares are transferred at a loss.

- **Death (Inheritance)**
  
  Date of Death __________ (required) Alternate Date __________ or Alternate Value __________ (optional)

  For joint account holders only, please consider the following for purposes of determining cost basis.

  If the reason for transfer is due to death (inheritance), please indicate if you are the spouse by checking the box:

  - Spouse

  For non-spouse, please indicate the %* of joint property contributed by the decedent: ______%

  *If no percentage is indicated, the shares will be transferred as 100% non-covered on non-spousal accounts.

  We strongly recommend you consult your tax advisor with any cost basis issues.

2B. Cost Basis Information

Unless you specify otherwise below, the cost basis method on your current account will be used to deplete the transfer of the shares. To have the transfer(s) processed either Pro Rata or by using an alternate cost basis transfer processing method, select either 1 or 2 below. For accounts using the Average Cost method, shares are depleted in First In First Out (FIFO) order unless you select option 1 (Pro Rata Transfer Processing).

1) **Pro Rata Transfer Processing**:

   If you are transferring only a portion of your account, or transferring your account to multiple recipients, you have the option to have the transfer(s) processed proportionately from all tax lots in your account so that the tax lots in the receiving account(s) maintain the same cost basis characteristics across each new account (i.e., if the transfer is to multiple recipients) or as the originating account (i.e., if a partial transfer is to one recipient). This Pro Rata transfer processing election will only apply to the transfer(s) processed per this transfer request.

   - Check this box to indicate you wish to have the transfer(s) processed pro rata across all tax lots rather than based on the cost basis method on your account or an alternate cost basis transfer processing method.

   *The cost basis method on your account will not be impacted by this election.

2) **Alternate Transfer Processing**:

   If you have a cost basis method other than Average Cost on your account, you may choose an alternate transfer processing method for this transfer. Do not make a selection if your transfer is to be processed using the Pro Rata method or using the cost basis method on your account. This selection will only apply to the transfer(s) processed per this transfer request.

   - First In First Out (FIFO)
   - Last In First Out (LIFO)
   - High Cost, First Out (HIFO)
   - Low Cost, First Out (LOFO)
   - Specific Lot

   Date of Purchase ______ / ______ / ______ # of shares __________

   Date of Purchase ______ / ______ / ______ # of shares __________

   Date of Purchase ______ / ______ / ______ # of shares __________

   You will need to make a similar election on future transfers, if applicable, and redemptions will be processed according to the cost basis method on your account.

F. Political/Military Officials
Please indicate if any account owner or related party* is either a senior military, government or political official in the U.S. or any other country or jurisdiction, or is closely associated with such official or an immediate family member of such official (including spouse, parents, siblings, children, and in-laws):

- [ ] Yes
- [ ] No

If Yes, please provide name of official, office held, and country ____________________________________________

*A related party includes a custodian, trustee, or beneficiary, or any principal shareholder, beneficial owner, or authorized person listed in sections 3E and 10.

4. For new accounts registered as Individual or Joint with rights of survivorship, would you like to add a Transfer on Death (TOD) Beneficiary?

A Transfer on Death (TOD) designation transfers ownership of your shares to your beneficiary or beneficiaries upon your death. For joint account holders, shares are transferred to your beneficiaries upon the death of the last surviving account owner. **TOD registration is only available on accounts registered to an individual or to joint owners with rights of survivorship or tenants by entirety with an address in any state within the United States other than Louisiana. TOD registration is not available for residents of Louisiana. If an account owner adds a TOD registration to his account while a resident of a state other than Louisiana and later becomes a resident of Louisiana, then the TOD registration shall be void at such time as the account owner becomes a resident of Louisiana. Because TOD registration can affect tax strategies and estate planning, you may want to consult a financial planner or attorney before requesting this type of registration, particularly if you reside in a community property state. If you have any questions about TOD registration, please call us at 1-800-645-6561.**

Beneficiary designation(s)

Please provide your designated beneficiary information in the boxes below. (If you wish to designate more than two primary or more than two secondary beneficiaries, please attach a separate sheet.) These beneficiary designations will remain in full force and effect until another properly completed form or other written instructions are received.

If you designate more than one primary beneficiary, or more than one secondary beneficiary, please be sure that the percentages you assign to all primary beneficiaries add up to 100%, and that the percentages you assign to all secondary beneficiaries add up to 100%. If no percentages are designated, an even split among primary and an even split among secondary beneficiaries will be assumed. Any fractional shares that remain upon dividing the account among multiple primary beneficiaries, and any fractional shares that remain upon dividing the account among multiple secondary beneficiaries, will revert to the first named primary and first named secondary beneficiary, respectively. Any secondary beneficiary you name will receive all or a portion of your account balance only if all primary beneficiaries pre-decease you.
If a beneficiary is a minor, you must designate a custodian and provide the minor’s date of birth.

☐ Please check this box if you do not want beneficiaries to receive general marketing communications on products and services.

5A. Cost Basis Method Election

Note – This election will not be applied to money market fund accounts. If you are opening a money market fund account and at a later date process an exchange to open a fluctuating NAV fund account, you should make your cost basis selection at that time.

Federal regulations require that we report to the IRS on Tax Form 1099-B the cost basis information on mutual fund shares purchased on or after January 1, 2012 (covered shares), and redeemed on or after that date.

Please choose one of the cost basis reporting methods listed below for your account(s). If no method is selected, the Fund(s) will report cost basis using Average Cost. Specific Lot Identification is also a cost basis method option and is offered at the time of your redemption or exchange transaction.

- First In, First Out (FIFO)
- Last In, First Out (LIFO)
- High Cost, First Out (HIFO)
- Low Cost, First Out (LOFO)
- Average Cost

Please consult your tax professional to determine which cost basis method is best for your personal tax situation.

Changing your cost basis method: If the cost basis method for your account(s) is Average Cost, you may retroactively change your cost basis method only before the date of the first redemption or transfer of covered shares. You may change your cost basis method for future purchases at any time. Changes to or from the Average Cost method must be made in writing or via bnymellonim.com/us. Changes to or from all other methods may be made in writing, via bnymellonim.com/us or by telephone.

Important Information from BNY Mellon Securities Corporation Regarding
Your Mutual Fund Account During A Significant Business Disruption

To Our Valued Mutual Fund Shareholders:

At BNY Mellon, we take great pride in the trust that our customers place in us. With that in mind, we want to tell you about our business continuity plan which documents how we will respond to a significant business disruption. Our plan is designed to enable us to promptly resume our business operations while providing you with ways to access your account information during our recovery period.

We maintain a business continuity plan that covers all aspects of the resumption of our business processes in the event of a significant disruption or emergency. Our plan addresses: data back-up and recovery; all mission critical systems; financial and operational assessments; alternative communications with customers, employees, and regulators; alternate physical location of employees; critical supplier and contractor impact; regulatory reporting; and assuring our customers prompt access to their funds and securities. The plan is updated whenever there is a material change to our business, and it is subject to periodic formal reviews, including business risk assessments. Changes to processes, products, or business environments are evaluated, and required modifications to the configuration of our recovery sites (described below) are performed. Current copies of our business continuity plan are maintained by various individuals at our firm.

As part of our business recovery plan, we maintain alternate business resumption sites for our employees that provide us with operational redundancy in the event of an emergency at our primary location. These facilities provide for the relocation of our employees so that we may resume processing operations and trading functions. Each employee's workstation at our relocation sites is equipped with all the software, as well as all the telecommunication equipment, needed for each employee to continue to provide client service. Our alternate sites have centralized faxes and printer rooms where communications are controlled. We also employ telephone rollover technology whereby inbound calls and faxes are re-routed to the appropriate alternate business resumption site.

Whether we are affected by a firm only, single building, business district, citywide or regional disruption, our firm's policy is clear: We will safeguard our employees' lives, make immediate financial and operational assessments, and work to quickly recover and resume operations. In the event of an emergency, our goal is to restore operations and resume transacting business as soon as possible. During the recovery period, you may access your investments electronically using the following options:

- **Call Express voice-activated account access system at 1-800-645-6561**
- **Visit our web site at www.bnymellonim.com/us**

Please note that before you can access your account through www.bnymellonim.com/us, you will need a user ID and password. For account access via Express, you will need your Social Security Number and a personal identification number (PIN). You can create or reset your user ID and password by going on to www.bnymellonim.com/us, or your PIN by calling Express. We urge you to take a moment today to make sure that you are able to access your account through www.bnymellonim.com/us and/or Express. This will help to ensure that you have access to your account in the unlikely event of a business disruption.

Regardless of all the effort put into our business continuity plan, we acknowledge that no plan for disaster recovery is infallible. Every emergency situation poses unique challenges, and the unpredictable nature and severity of disasters make it impossible to predict every scenario that could cause a disruption, thus precluding absolute preparedness in all circumstances. While our business continuity plan is tested periodically, such testing may not be able to replicate actual emergency conditions. **Depending upon the emergency, we cannot guarantee that we will follow our plan's stated course of action, and our business recovery plan is subject to modification without notice as conditions require.** Also, certain situations may arise that affect the securities markets and/or the external service providers upon which we rely, and your transactions or requests for funds could be delayed during such a disruption.

Please be assured that, in the event of a disaster, we will work as quickly as possible to provide you with the access to the excellent customer service that you have come to expect.
