**Strength of the Lion**

In the financial jungle, the lion leads by delivering strength in four crucial areas

- **Strength in numbers**
- **Product diversity; core strength**
- **Investment management and credit research expertise**
- **Commitment to quality, performance and client relationships**

**Strength in Numbers**

Our parent company, The Bank of New York Mellon Corporation, is a global financial services company. It is a leading provider of financial services for institutions, corporations and high-net-worth individuals, providing expert asset management and wealth management, asset servicing, issuer services and treasury services, through worldwide client-focused teams.

- $1.8 trillion in assets under management as of 3/31/20
- $35.2 trillion in assets under custody and administration as of 3/31/20
- Global presence in 35 countries
- BNY Mellon ranks among the highest debt ratings for financial firms globally\(^1,2\)
- 4th largest U.S. institutional money manager (Pension & Investments, May 2019)\(^3,4\)
- 7th Largest Asset Manager Worldwide (Willis Towers Watson, October, 2019)\(^5\)
- 9th largest institutional cash manager (iMoneyNet, March 2020)\(^6\)

**Money Fund Capabilities**

Dreyfus Cash Investment Strategies specifically caters to the needs of institutional customers dating back to 1976. Dreyfus has since become an industry leader in the manufacturing and distribution of money fund products.

Our money funds are a core segment of our asset management business. Dreyfus Cash Investment Strategies had $217.2 billion in domestic and offshore money market fund assets as of 3/31/20.

We are recognized as one of the largest and most experienced money market fund managers in the industry.

**Money Market Investment Management Expertise**

**Philosophy**

- Main goal is to provide a high level of current income that is consistent with the preservation of capital and the maintenance of liquidity for fund shareholders.
- Disciplined investment approach is implemented by tenured, highly experienced money market portfolio management team.
- Investment decisions are derived from current and anticipated market conditions. Securities are selected that meet Dreyfus' high credit quality standards.

**Process**

- A key tenet of Dreyfus’ risk management hierarchy is a selective and discriminating approach in identifying each element of risk specific to money market mutual funds.
Experienced, primary credit risk professionals — in concert with seasoned portfolio managers and traders — coordinate a calibrated, pre-trade compliance process resulting in Dreyfus’ money market funds maintaining maximum purchase conviction through varying credit and product cycles.

Portfolios structured within the confines of Rule 2a-7.

Conservative securities selection process has worked for our clients over time, through various credit cycles and market challenges.

BNY Mellon Investment Management

BNY Mellon Investment Management is among the world’s largest multi-firm investment managers, encompassing globally diversified investment firms, wealth management services and global distribution companies.

Seven independent firms - each with a unique model designed with a specific value proposition.

Highest possible ethical standards lead to foundation of trust with investors and investment professionals. This foundation of trust can be especially important with cash management clients, who tend to be loyal and offer potential for a mutually beneficial relationship.

In 1957, we became the first mutual fund company to launch a retail advertising campaign. In 1958, we again stepped ahead of the pack when it published a full-color prospectus as a supplement to The New York Times.

The lion symbolizes strength, confidence, and leadership within Dreyfus Cash Investment Strategies.

Our partners can offer their clients a brand name and investment expertise they already know and trust.

Client focus is a core value. We strive to be our clients’ partner of choice by delivering world-class service.
