WE NEED YOUR PROXY VOTE

A STOCKHOLDER MAY THINK HIS OR HER VOTE IS NOT IMPORTANT, BUT IT IS VITAL. BY LAW, THE ANNUAL MEETING OF STOCKHOLDERS OF THE FUND WILL HAVE TO BE ADJOURNED WITHOUT CONDUCTING ANY BUSINESS IF LESS THAN A QUORUM IS REPRESENTED. IN THAT EVENT, THE FUND, AT SHAREHOLDERS’ EXPENSE, WOULD CONTINUE TO SOLICIT VOTES IN AN ATTEMPT TO ACHIEVE A QUORUM. CLEARLY, YOUR VOTE COULD BE CRITICAL TO ENABLE THE FUND TO HOLD THE MEETING AS SCHEDULED, SO PLEASE RETURN YOUR PROXY CARD OR OTHERWISE VOTE PROMPTLY. YOU AND ALL OTHER STOCKHOLDERS WILL BENEFIT FROM YOUR COOPERATION.
Dear Stockholders,

On or about June 3, 2019, Dreyfus Alcentra Global Credit Income 2024 Target Term Fund, Inc. will be renamed “BNY Mellon Alcentra Global Credit Income 2024 Target Term Fund, Inc.” In addition, on that date, The Dreyfus Corporation, the primary mutual fund business of The Bank of New York Mellon Corporation and the investment adviser of Dreyfus Alcentra Global Credit Income 2024 Target Term Fund, Inc., will change its name to “BNY Mellon Investment Adviser, Inc.” The changes to the name of the Fund and the name of the Fund’s investment adviser will have no effect on stockholders or their fund accounts, other than to reflect the Fund's new name.

Sincerely,

James Bitetto
Secretary
This proxy statement is furnished in connection with a solicitation of proxies by the Board of Directors (the “Board”) of Dreyfus Alcentra Global Credit Income 2024 Target Term Fund, Inc. (the “Fund”) to be used at the Annual Meeting of Stockholders of the Fund to be held on Wednesday, June 12, 2019 at 11:00 a.m., Eastern time, at the offices of The Dreyfus Corporation, the Fund's investment adviser (“Dreyfus” or the “Investment Adviser”), at 240 Greenwich Street, 10th Floor, New York, New York 10286, and at any and all adjournments or postponements thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. Stockholders of record at the close of business on April 10, 2019 are entitled to be present and to vote at the meeting. Stockholders are entitled to one vote for each Fund share held and fractional votes for each fractional Fund share held. Shares represented by executed and unrevoked proxies will be voted in accordance with the specifications made thereon. If the enclosed form of proxy is executed and returned, or if you have voted by telephone or through the Internet, your vote nevertheless may be revoked after it is received by sending another proxy by mail, by calling the toll-free telephone number on the proxy card or through the Internet. To be effective, such revocation must be received prior to the meeting. In addition, any stockholder who attends the meeting in person may vote by ballot at the meeting, thereby canceling any proxy previously given.

A quorum is constituted by the presence in person or by proxy of the holders of a majority of the outstanding shares of the Fund entitled to vote at the meeting. If a quorum is not present at the meeting, the stockholders present in person or by proxy, by majority vote and without notice other than by announcement at the meeting, may adjourn the meeting. There were 14,961,373.768 shares of the Fund's common stock outstanding as of April 10, 2019.

It is estimated that proxy materials will be mailed to stockholders of record on or about April 30, 2019. To reduce expenses, only one copy of this proxy statement will be mailed to certain addresses shared by two or more accounts. If you wish to revoke this arrangement and receive individual copies, you may do so at any time by writing to the address or calling the phone number set forth below. The Fund will begin sending you individual copies promptly after receiving your request. The principal executive office of the Fund is located at 240 Greenwich Street, 18th Floor, New York, New York 10286. Copies of the Fund’s most recent Annual and Semiannual Reports to Stockholders are available upon request, without
charge, by writing to the Fund at 144 Glenn Curtiss Boulevard, Uniondale, New York 11556-0144, or by calling toll-free 1-800-334-6899.

PROPOSAL 1: ELECTION OF DIRECTORS

The Fund’s charter provides for three classes of Directors with overlapping three-year terms. The number of Directors currently is seven. It is proposed that stockholders of the Fund consider the election of two Class I Directors to serve for one-year terms, two Class II Directors to serve for two-year terms, and three Class III Directors to serve for three-year terms, each until their respective successors are duly elected and qualified. The individual nominees (the “Nominees”) proposed for election are listed below. Each Nominee currently serves as a Director of the Fund, and a board member of certain other funds in the Dreyfus Family of Funds. Each nominee, except Mr. Rochon, has served as a Director since the Fund’s inception. Mr. Rochon was appointed to the Board by the Fund’s Directors at a meeting held on February 28, 2019. Each Nominee was nominated by the Fund’s nominating committee and has consented to being named in this proxy statement and has agreed to continue to serve as a Director if elected. Biographical information about each Nominee is set forth below. Information on each Nominee’s ownership of Fund shares and other relevant information is set forth on Exhibit A. None of the Nominees are “interested persons,” as defined in the Investment Company Act of 1940, as amended (the “1940 Act”), of the Fund.

The persons named as proxies on the accompanying proxy card intend to vote each proxy for the election of the Nominees, unless stockholders specifically indicate on their proxies the desire to withhold authority to vote for elections to office. It is not contemplated that any Nominee will be unable to serve as a Director for any reason, but, if that should occur prior to the meeting, the proxyholders reserve the right to substitute another person or persons of their choice as nominee or nominees.

Board’s Oversight Role in Management. The Board’s role in management of the Fund is oversight. As is the case with virtually all investment companies (as distinguished from operating companies), service providers to the Fund, primarily the Investment Adviser, the Fund’s sub-investment adviser, Alcentra NY, LLC (“Alcentra” or the “Subadviser”), and their affiliates, have responsibility for the day-to-day management of the Fund, which includes responsibility for risk management (including management of investment risk, valuation risk, issuer and counterparty credit risk, compliance risk and operational risk). As part of its oversight, the Board, acting at its scheduled meetings, or the Chairman, acting between Board meetings,
regularly interacts with and receives reports from senior personnel of service providers, including senior personnel of the Investment Adviser, the Subadviser and their affiliates, the Fund’s and the Investment Adviser’s Chief Compliance Officer and portfolio management personnel. The Board’s audit committee (which consists of all the Directors) meets during its regularly scheduled and special meetings, and between meetings the audit committee chair is available to the Fund’s independent registered public accounting firm and the Fund’s Chief Financial Officer. The Board also receives periodic presentations from senior personnel of the Investment Adviser, the Subadviser or their affiliates regarding risk management generally, as well as periodic presentations regarding specific operational, compliance or investment areas, such as cybersecurity, business continuity, personal trading, valuation, credit and investment research. As warranted, the Board also receives informational reports from counsel to the Fund and the Board’s independent legal counsel regarding regulatory compliance and governance matters. The Board has adopted policies and procedures designed to address certain risks to the Fund. In addition, the Investment Adviser, the Subadviser and other service providers to the Fund have adopted a variety of policies, procedures and controls designed to address particular risks to the Fund. Different processes, procedures and controls are employed with respect to different types of risks. However, it is not possible to eliminate all of the risks applicable to the Fund, and the Board’s risk management oversight is subject to inherent limitations.

Board Composition and Leadership Structure. The 1940 Act requires that at least 40% of the Fund’s Directors not be “interested persons” (as defined in the 1940 Act) of the Fund (“Independent Directors”) and as such are not affiliated with the Investment Adviser. To rely on certain exemptive rules under the 1940 Act, a majority of the Fund’s Directors must be Independent Directors, and for certain important matters, such as the approval of investment advisory agreements or transactions with affiliates, the 1940 Act or the rules thereunder require the approval of a majority of the Independent Directors. Should all of the Nominees be elected, all of the Fund’s Directors, including the Chairman of the Board, will be Independent Directors. The Board has determined that its leadership structure, in which the Chairman of the Board is not affiliated with the Investment Adviser, is appropriate in light of the specific characteristics and circumstances of the Fund, including, but not limited to: (i) the services that the Investment Adviser, the Subadviser and their affiliates provide to the Fund and potential conflicts of interest that could arise from these relationships; (ii) the extent to which the day-to-day operations of the Fund are conducted by Fund officers and employees of the Investment Adviser, the Subadviser and their affiliates; and (iii) the Board’s oversight role in management of the Fund.

Information About Each Nominee’s Experience, Qualifications, Attributes or Skills. Nominees for Director of the Fund, together with information as to their positions with the Fund, principal occupations and other board memberships for
the past five years, are shown below. The address of each Nominee is 240 Greenwich Street, New York, New York 10286. Information on each Nominee’s ownership of Fund shares and other relevant information is set forth on Exhibit A.

Each Nominee, with the exception of Ms. Bovich and Mr. Rochon, has been a Dreyfus Family of Funds board member for over 20 years. Ms. Bovich has been in the asset management business for over 40 years and Mr. Rochon has over 30 years’ experience managing and overseeing investments in private and public companies. Additional information about each Nominee follows (supplementing the information provided in the table above) that describes some of the specific experiences, qualifications, attributes or skills that each Nominee possesses which the Board believes has prepared them to be effective Directors. The Board believes that the significance of each Director’s experience, qualifications, attributes or skills is an individual matter (meaning that experience that is important for one Director may not have the same value for another) and that these factors are best evaluated at the Board level, with no single Director, or particular factor, being indicative of Board effectiveness. However, the Board believes that Directors need to have the ability to critically review, evaluate, question and discuss information provided to them, and to interact effectively with Fund management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties; the Board believes that its members satisfy this standard. Experience relevant to having this ability may be achieved through a Director’s educational background; business or professional training or practice (e.g., medicine, accounting or law);
public service or academic positions; experience from service as a board member (including the Board of the Fund) or as an executive of investment funds, public companies or significant private or not-for-profit entities or other organizations; and/or other life experiences. The charter for the Board’s nominating committee contains certain other factors considered by the committee in identifying and evaluating potential Director nominees. To assist them in evaluating matters under federal and state law, the Directors are counseled by their independent legal counsel, who participates in Board meetings and interacts with the Investment Adviser and also may benefit from information provided by the Investment Adviser’s counsel; counsel to the Fund and to the Board has significant experience advising funds and fund board members. The Board and its committees have the ability to engage other experts as appropriate. The Board evaluates its performance on an annual basis.

Fund Board Committees. The Fund has standing audit, nominating and litigation committees, each comprised of the Fund’s Independent Directors. The Fund also has a compensation committee comprised of Ms. Roslyn M. Watson (Chair), Mr. Stephen J. Lockwood and Ms. Benaree Pratt Wiley.

The function of the audit committee is (1) to oversee the Fund’s accounting and financial reporting processes and the audits of the Fund’s financial statements and (2) to assist in the Board’s oversight of the integrity of the Fund’s financial statements, the Fund’s compliance with legal and regulatory requirements and the qualifications, independence and performance of the Fund’s independent registered public accounting firm. A copy of the Fund’s Audit Committee Charter, which describes the audit committee’s purposes, duties and responsibilities, is available at www.dreyfus.com in the “Individual Investors” section under “Products — Closed End Funds.”

The Fund’s nominating committee is responsible for selecting and nominating persons as members of the Board for election or appointment by the Board and for election by stockholders. In evaluating potential nominees, including any nominees recommended by stockholders, the committee takes into consideration the factors listed in the Fund’s Nominating Committee Charter and Procedures (the “Nominating Committee Charter”), including character and integrity and business and professional experience. The nominating committee may consider whether a potential nominee’s professional experience, education, skills and other individual qualities and attributes, including gender, race or national origin, would provide beneficial diversity of skills, experience or perspective to the Board’s membership and collective attributes. Such considerations will vary based on the Board’s existing membership and other factors, such as the strength of a potential nominee’s overall qualifications relative to diversity considerations. The committee will consider recommendations for nominees from stockholders submitted to the Secretary of the Fund, c/o The Dreyfus Corporation Legal Department, 240 Greenwich Street, 18th Floor, New York, New York 10286, and including information regarding the recommended nominee as specified in the Nominating Committee Charter. The litigation committee seeks to address any potential conflicts of interest between the Fund and the Investment Adviser in connection with any potential or existing litigation or other legal proceeding relating to securities held by the Fund and held or otherwise deemed to have a beneficial interest held by the Investment Adviser or its affiliate.

The Fund also has a standing pricing committee comprised of any one Director. The function of the pricing committee is to assist in valuing the Fund’s investments.

For the Fund’s most recent fiscal year, the number of Board and committee meetings held is set forth on Exhibit A.

Annual retainer fees and meeting attendance fees are allocated among the Fund and those other funds on the basis of net assets, with the Chairman of the Board, Mr. DiMartino, receiving an additional 25% of such compensation. **ADDITIONAL INFORMATION**

**Selection of Independent Registered Public Accounting Firm**

The 1940 Act requires that the Fund’s independent registered public accounting firm (the “independent auditors” or “auditors”) be selected by a majority of the Independent Directors. The audit committee has direct responsibility for the appointment, compensation, retention and oversight of the Fund’s independent auditors. At a meeting held on October 24-25, 2018, the Fund’s audit committee approved and the Fund’s Board, including a majority of the Independent Directors, ratified and approved the selection of KPMG LLP (“KPMG”) as the independent auditors for the Fund’s fiscal year ending August 31, 2019. The audit committee’s report relating to the Fund’s financial statements for the year ended August 31, 2018 is attached as Exhibit C to this proxy statement.

**Independent Registered Public Accounting Firm Fees and Services**

The following chart reflects fees billed by KPMG in the Fund’s fiscal year ended August 31, 2018.\(^1\) For Service Affiliates (\(i.e.,\) Dreyfus and any entity controlling, controlled by or under common control with Dreyfus that provides ongoing services to the Fund), such fees represent only those fees that required pre-approval by the audit committee, except the Aggregate Non-Audit Fees amounts, which include all non-audit fees billed by KPMG to the Fund and Service Affiliates. \(^1\) The Fund commenced operations on October 27, 2017 and, therefore, has completed only one fiscal year to date.

\(^2\) Services to the Fund consisted of security counts required by Rule 17f-2 under the 1940 Act.

\(^3\) Aggregate non-audit fees billed by KPMG to the Fund and Service Affiliates are shown under the Service Affiliates column.
Audit Committee Pre-Approval Policies and Procedures. The Fund’s audit committee has established policies and procedures (the “Policy”) for pre-approval (within specified fee limits) of KPMG’s engagement for audit and non-audit services to the Fund and non-audit services to Service Affiliates without specific case-by-case consideration. The pre-approved services in the Policy can include pre-approved audit services, pre-approved audit-related services, pre-approved tax services and pre-approved all other services. Pre-approval considerations include whether the proposed services are compatible with maintaining KPMG’s independence. Pre-approvals pursuant to the Policy are considered annually. In addition, proposed services requiring pre-approval but not covered by the Policy are considered from time to time as necessary.

Auditor Independence. The Fund’s audit committee has considered whether the provision of non-audit services that were rendered to Service Affiliates that did not require pre-approval is compatible with maintaining KPMG’s independence.

A representative of KPMG is expected to be present at the meeting, will have the opportunity to make a statement and will be available to respond to appropriate questions.

Within 72 hours of receiving a stockholder’s solicited telephonic voting instructions, a confirmation will be sent to the stockholder to ensure that the vote has been taken in accordance with the stockholder’s instructions and to provide a telephone number to call immediately if the shareholder’s instructions are not correctly reflected in the confirmation.

Nominating Committee Charter and Procedures

ORGANIZATION
The Nominating Committee (the “Committee”) of each fund in the Dreyfus Family of Funds (each, the “Fund”) shall be composed solely of Directors/Trustees (“Directors”) who are not “interested persons” of the Fund as defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (the “1940 Act”) (“Independent Directors”). The Board of Directors of the Fund (the “Board”) shall select the members of the Committee and shall designate the Chairperson of the Committee.

RESPONSIBILITIES
The Committee shall select and nominate persons for election or appointment by the Board as Directors of the Fund.

EVALUATION OF POTENTIAL NOMINEES
The Board believes that Directors need to have the ability to critically review, evaluate, question and discuss information provided to them, and to interact effectively with Fund management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties. In evaluating potential Director nominees (including any nominees recommended by shareholders as provided below) in light of this standard, and to address certain legal and other requirements and considerations associated with composition of the Board, the Committee shall consider, among other factors it may deem relevant:

• the character and integrity of the person;
• whether or not the person is qualified under applicable laws and regulations to serve as a Director of the Fund;
• whether or not the person has any relationships that might impair his or her service on the Board;
• whether nomination of the person would be consistent with Fund policy and applicable laws and regulations regarding the number and percentage of Independent Directors on the Board;
• whether or not the person serves on boards of, or is otherwise affiliated with, competing financial service organizations or their related fund complexes;
• whether or not the person is willing to serve and is willing and able to commit the time necessary for the performance of the duties and responsibilities of a Director of the Fund; and

• the educational background; business, professional training or practice (e.g., medicine, accounting or law), public service or academic positions; experience from service as a board member (including the Board) or as an executive of investment funds, public companies or significant private or not-for-profit entities or other organizations; and/or other life experiences.

In addition, the Committee may consider whether a potential nominee’s professional experience, education, skills and other individual qualities and attributes, including gender, race or national origin, would provide beneficial diversity of skills, experience or perspective to the Board’s membership and collective attributes. Such considerations will vary based on the Board’s existing membership and other factors, such as the strength of a potential nominee’s overall qualifications relative to diversity considerations.

While the Committee is solely responsible for the selection and nomination of Directors, the Committee may consider nominees recommended by Fund shareholders. The Committee will consider recommendations for nominees from shareholders sent to the Secretary of the Fund, c/o The Dreyfus Corporation Legal Department, 240 Greenwich Street, New York, New York 10286. A nomination submission must include all information relating to the recommended nominee that is required to be disclosed in solicitations or proxy statements for the election of Directors, as well as information sufficient to evaluate the factors listed above. Nomination submissions must be accompanied by a written consent of the individual to stand for election if nominated by the Board and to serve if elected by the shareholders, and such additional information must be provided regarding the recommended nominee as reasonably requested by the Committee.

**Nomination of Directors**

After a determination by the Committee that a person should be selected and nominated as a Director of the Fund, the Committee shall present its recommendation to the full Board for its consideration.

**Review of Charter and Procedures**

The Committee shall review the charter and procedures from time to time, as it considers appropriate.

REPORT OF THE AUDIT COMMITTEE

Dreyfus Alcentra Global Credit Income 2024 Target Term Fund, Inc.
(the “Fund”)

October 24, 2018

The audit committee oversees the Fund’s financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the committee reviewed and discussed the audited financial statements in the Annual Report with management.

The committee reviewed with the independent registered public accounting firm (the “independent auditors” or “auditors”), who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Fund’s accounting principles and such other matters as are required to be discussed with the committee under the standards of the Public Company Accounting Oversight Board (United States) (“PCAOB”). In addition, the committee discussed with the independent auditors the auditors’ independence from management and the Fund including the auditors’ letter and the matters in the written disclosures required by the PCAOB provided to the committee.

Based on the reviews and discussions referred to above, the committee recommended to the Board of Directors (and the Board approved) that the audited financial statements for the Fund be included in the Fund’s Annual Report to Stockholders for the year ended August 31, 2018.
